# Fun Facts:

- 24 Podium Presenters
- 15 Panelists
- 100 In-Person Attendees
- 11% Academic Attendees
- 11% Community/Non Profit Attendees
- 43% Government Attendees
- 34% Industry Attendees
- 16 Virtual Attendees from USA & Canada
- 13 International Attendees from Canada, Taiwan, South Africa, Thailand, United Kingdom
- 87 USA Attendees from: Arizona, California, Colorado, Maryland, Michigan, Montana, North Carolina, Texas, Virginia, Washington, West Virginia, Washington DC

## Please Note:

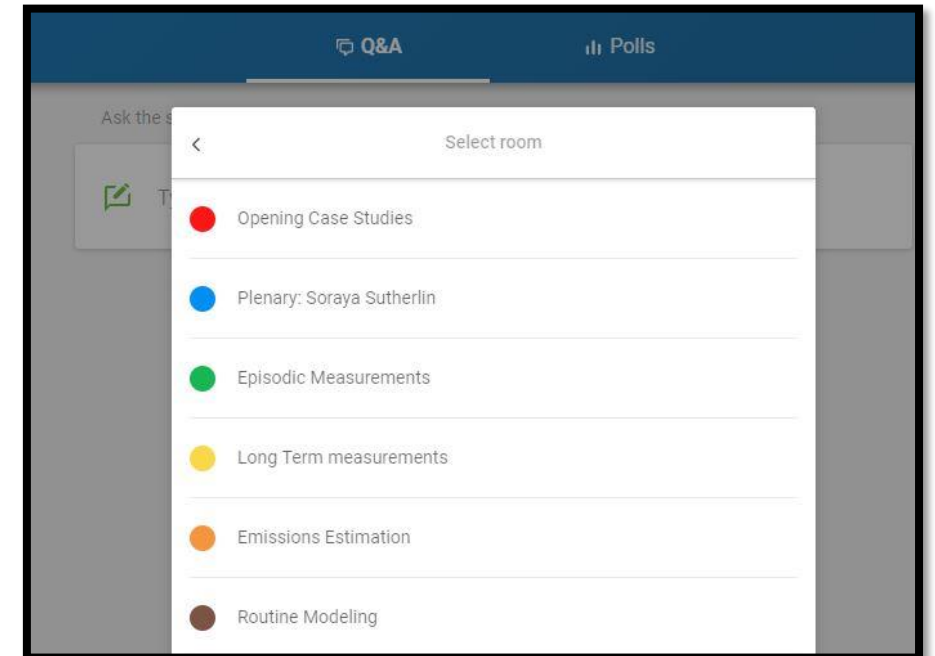

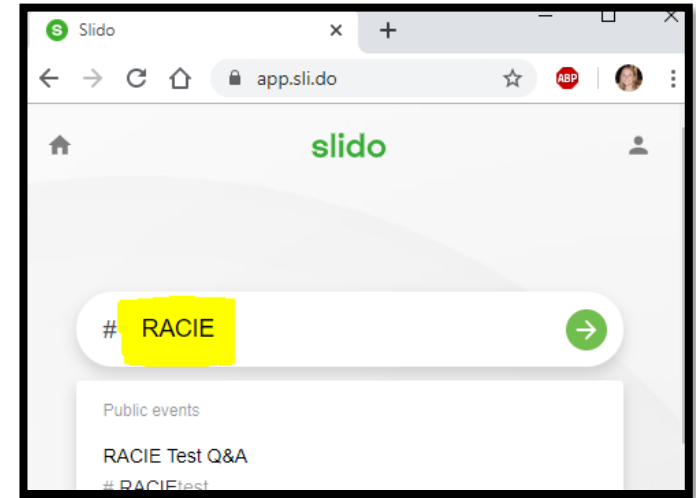

- Emergency exits are to the left of the stage
- Please silence cell phones for duration of conference
- Bathrooms are down the hallway next to the drink station in the lobby

## Live Stream:

- This symposium is being live streamed to a virtual audience
- This is the first time the Air Quality Research Center has live streamed an event – please be patient
- The virtual audience will be able to ask questions via “sli.do” during the panel Q&A

# Q&A with Sli.do

1. On a computer or phone type “sli.do” into a web browser
2. In the box enter “RACIE”
3. Chose the Room for the current session
4. Pose a question at any time.
5. Virtual questions will be answered during the final 20 minute panel

# Welcome Reception

**When:** Wednesday Evening @ 5:15 pm

**Where:** Bistro 33

**What:** Discuss the day's presentations & share a drink on the house! This is the perfect time for an overview of newly published results or an in-depth discussion of studies.

*Stick around to enjoy a light appetizer with your drink of choice while you learn!*
